GRAZIALLO RUNS FAST MILE

TAKES SHEEPSHEAD BAY HAN-DICAP EASILY IN 1:38 4-5.

Overlooked by the Talent, He Beats Savable-Mr. Story's Whitecrest Captures Rockaway Cup-Sweet Alice Scores on the Grass-Four Favorites Lose.

Bering of an unusually high order of excellence delighted a crowd of more than 20,000 persons at Sheepshead Bay yesterday after-noon. The superb weather and the fact that best horses in training were ntered in the various events drew the enentered in the various events drew the enthusiasts to the trackside early. Many society people were on hand, too, to see the running of the Rockaway Cup steeplechase.

The real racing feature was the second of the June handicaps, the Sheepshead Bay, at a mile, with thirteen starters. It was an open betting affair, in which John A. Drake's Savable and J. G. Follansbee's Rochamption closed equal favorites at 4 to 1. E.R. Thomac's Stalwart was well played at 5 to 1, with 6 to 1 against M. Corbett's Hurst Park, who carried the crushing impost of 130 pounds. Salva-tella, Proper, Graziallo and Ingold all had support, too. Graziallo went up to 12 to 1, the talent evidently forgetting that he ran second to Delhi in the Belmont and second to Fort Hunter in the Buffalo Derby. He gave scale weight to everything in the race except Hurst Park and Savable.

Roehampton and Savable went out in front at the start and set a killing pace. Roehampton began to stop on the far turn and blew up completely in the middle of the stretch. Martin held Graziallo well in check behind Ingold, who was third meanwhile, but when the former got his head he ran over both Ingold and Savable as if they were standing still. Martin eased Graziallo up at the end, where he won by three lengths in the remarkably fast time of 1:38 4-5, a second alower than the best record for the track, hung up by August Belmont's Brigadier in 1901 with 112 pounds. Savable stood a drive to get the place by a length from Ingold, with Hurst hind. Proper was evidently stopped by the

The Rockaway Cup was a spectacular affair, in which only one of the ten starters fell. That was Princess Chic, and Finnegan, her rider, sustained a broken collarbone. Pure Pepper, ridden by Harry Page, ran away a mile before reaching the post. Twi-light showed the way, closely followed by Bonfire, 80 to 1, for a mile and a half and then stopped. Bonfire went on until Mr. Story's Whitecrest, second choice at threes, passed him at the two mile mark. It was a hard duel between them after that right up to the last sixteenth, where Whitecrest drew away under the whip and won by three lengths in 5:14 2-5. Bonfire was second, fifteen lengths in front of the favorite, T. Hitchcock, Jr.'s, Tom Cogan, who lost much ground by failing to clear the water jump on the last time around. His hind feet landed in the water and gave Mr. Page an impromptu bath, the latter following closely with Pure Pepper.

HERMIS'S STOCK GOES UP. Gold Heels and McChesney Out of Big Handicap-Bullman at St. Louis.

St. Louis, June 23 -The Great World's away and applications for boxes and seats have overwhelmed the officials. Gold Heels failed to cool out of his lameness when worked last night and will almost certainly be a non-starter. McChesney also will be among

the missing ones.

Hermis worked in magnificent style this morning and now seems destined, with a good track, to be a short priced favorite. good track, to be a short priced favorite. Jockey Bullman has arrived on the scene with a mount in the big race, which he refuses to divulge. As soon as it became evident that Gold Heels could not be got to the post, Pat Civill applied to Hayes for the services of Jockey D. Austin, who will now ride Sambo. Hermis showed his paces at \$30 o'clock this morning. Jockey Redfern rode him, and after jogging him a couple of miles eased up a triffe, and the horse went away at a fast pace. The track was still cuppy and about four seconds slow to the mile, but despite this and working in the middle of the track, he turned the mile in 1:44 and the mile and a furiong in 1:58. The work was most impressive. During the early part Redfern had such a choking pull on the horse that he was wheezing.

New York, Funny Side, Colonsay and Jack Ratlin look inviting in the handicap at a mile, with Carbuncle, Ormonde's Right, Mineola and Stillcho giving some promise in the last event, on the grass. Harness Races at Newburg.

NEWBURG, June 23.—The attractive card which brought out the largest crowd so far in the four days' spring meeting of the Newburg Driving Park Association was the free-for-all, which had seven entries of horses with records of 2:10 and better. There were six of the seven started and Frank Yoakum, 2:05%, although it was his first race of the year, was favorite. He won easily in three straight heate and distanced half of the three straight heats and distanced half of the bunch in the first heat. It was the only race in which the favorite pulled out winner. In the first heat of the 2:19 pace, Capt. Derby, an Ohio entry by A. C. Pennock, and driven by him, got the fiag, and the judges announced him distanced, six other horses getting inside. Driver Pennock registered such a stiff kick that he was inside the fiag that he was allowed to start again and went on and took the next three heats. No explanation came from the stand as to why Derby was permitted to go again. Sheldon, driver of Midnight Hall, was fined \$50 for laying up in the first heat in the 2:20 trot. He won the next three with hands down.

JOHN A. DRAKE MAKES LOSING BETS ON SAVABLE AND BOBADIL.

Yeager Wagers \$10,000 on Sweet Allee -Books Have Profitable Day-Something About the Two-Year-Old Winchester-Allan Backed by Outsiders

John A. Drake and his associates lost another heavy wager yesterday. They figured that Savable had the Sheepshead Bay Handicap at his mercy, and their com-missioners placed almost \$20,000 on the Sal vator colt, backing him down from 6 to 1 to fours. A Featherstone and his friends backed Ingold all three ways, while Joe Yeager had a wager on Salvatella to show. Drake and company also dropped a big bet on Bobadil, who was beaten by Reveille in the second race. Reveille was heavily backed by the clubhouse contingent. Alexander Shields bet \$2,500 on Voladay at 3 to 1 in the first race and cashed. John E. Madden and his follow-ers backed Hot Shot, who ran second, from 5 to 1 to 7 to 2. There was a mighty plunge on Phoebus in this event, the odds tumbling from 5 to 1 to 18 to 5. R. L. Rose won \$10,000 over the success of Winchester. Joe Yeager did not bet on his colt Hildebrand, ridden by his star jockey, in the fifth race, but he placed \$10,000 on Sweet Alice in the last event and got back some of the money he lost on Wednesday. All of the books enjoyed a profitable day, as the big crowd backed the favorites with extreme confidence.

Winchester, the two-year-old gelding who won the fifth race, is royally bred, being by Hamburg out of the famous race mare Tulla Blackburn. The late William C. Whitney bred him at La Belle Stud, but as it was found that he had a crooked leg he was sold as a yearling to John E. Madden for a small price. Madden did not think much of the youngster, and soon gave him to Charley Patterson outright. Patterson, who once had the honor of developing the mighty Hamburg, took his time with Winchester, and a few days ago the gelding worked a half mile in 0:47%. He was touted as a real good thing yesterand a bit of the jam, the figures being lowered from sixes to fives. Winchester was ridden by Roscoe Coleman, a 65 pound boy, who came from the Coast with Patterson, and who scored his first success in the saddle since his arrival. This race contained several other good things that were not so successful. P. J. Dwyer's Harpoon, by Handspring—Giralda, was one of them, backed down to fives. S. S. Brown's Prince Joseph, an Esher Docter's Beniala, W. J. Roche's Knight of Weston and E. L. Graves's Fleur de Marie, who ran third, were the others. Winchester barely prevented some people from taking big money from the books on J. G. Follansee's Little Buttercup, backed down to 20 to 1. The Kingston filly ran a smashing good race at Morris Park down the Eclipse course but since then she had not shown much In yesterday's affair, which was run straight-away, she was at her best.

Harry Page was so enthusiastic over the chances of his jumper, Pure Pepper, in the Rockaway Cup, that he donned his riding togs two hours before the horses were called to the post. His friends were out in force to see him ride, but, much to his chagrin, Pure Pepper was cruel enough to run away with Mr. Page before he could get him to the post. Then the well known "gentleman jockey" was treated to a shower bath, as Tom Cogan kicked up the surface of he water jump. It was indeed a day of hardship for nim and he received much sympathy from his admirers.

E. E. Smathers declared yesterday that McChesney would not be a starter in the World's Fair Handicap at St. Louis to-morrow. He showed a telegram received on Wednesday from his trainer, Sam/ Hil-dreth, in which the latter stated that it would be impossile to get "Big Mac" ready for the \$50,000 race, but that he hoped to ship McChesney East soon for the Brighton Handicap.
"If Hildreth intended to start McChesney after all," said Smathers, "he would have let me know before this, so that I might have time to go to St. Louis to see my horse run. You can rest assured that McChesney will not go to the post."

E. R. Thomas left for St. Louis yesterday

to see Hermis perform. Before taking the train he said that if the track should be heavy Hermis would not start, but would be shipped back here immediately. Mr. Thomas laughed at the yarn to the effect that he intended to wager \$100,000 on the Suburban winner, aying that he would be contented with a bet of \$1,000 under favorable circumstances. To wager the \$250 entrance fee against the \$50,000 purse would seem to be a sufficiently investment for Mr. Thomas without dallying the layers. His partner, Alexander Shields, has decided to remain here to look after the interests of the big stable.

Grover Cleveland Fuller has decided not o go to St. Louis to ride Witfull in the big handicap, but will remain here to pilot Highball in the Advance Stakes at the Bay tomorrow. Helgerson has been engaged to ride The Picket in the same race. Indication's point to a high class field in this event. The new mile exercise track at the Bay

soil dressing will be put on it to-day. In the Sheepshead Bay Handicap Orthodox humped Stalwart just after leaving the post and the latter lost all chance to be in the money. In the last race New York was knocked out of his stride in the scramble for positions, but he ran a fine race and was knocking at the door when the wire was Timothy D. Sullivan's Allan was a hot

tip in the second race. He was backed down from 190 to 1 to 80 to 1. At the post he broke so slowly that he was several lengths back of his field when he got away. Crimmins took him by way of the overland route, and was actually making a bid for the lead at the head of the stretch But the effort was too much for the St. Andrew gelding, who stopped in the last furlong. With an even break he might have won, but strange to say "Big Tim" and his immediate friends, according to Col. Michael Padden, did not bet on Allan to the extent of a dollar. Who were the wise men that knew how good Allan was? That is a question the Sullivans would like to have answered.

Jack McGinnis dropped a good bet on his filly, Dance Music, in the fifth race, but, he got his money back and much more into the bargain by having a small wager on Sweet Alice in the last race. Old England opened favorite at even money, but as he seemed to be sore in his warm-up, the smart bettors with Roehampton in the Sheepshead Bay Handicap. The little Bathampton horse opened the choice at 5 to 2, but receded to fours because he was clearly sore in the pad-dock after his preliminary through the stretch. Previous winners of the Sheepshead Bay Handicap, first run in 1894, were Don Alonzo, Domino, St. Maxim, Havoc, Semper Ego, Fly-By-Night, Greyfeld, Brigadier, Kamara and Blues. The winners of the Rockaway cup since 1901, were: Harry W. Smith's Sacket and Joseph E. Widener's Borough and The Whitecrest hung up a new re-Virginian. ord for this race yesterday. Twenty-eight finished in the qualifying round yesterday morning at the Garden City Golf Club links at the tournament limited to members of Long Island clubs. Flags waved on the clubhouse in honor of Travis's return

There was a display of the British championship cup, which filled the function for which all cups are designed, and Travis received an honorary membership for life by unanimous vote.

STANDARD FASTEST AUTO BOAT. Makes Remarkable Time in Race for Gold Trophy.

The auto boat Standard, owned by C. C. Riotte, won the first race for the \$1,000 gold trophy of the American Power Boat Association yesterday, and she made thirty-two nautical miles, half of which was against wind and tide, in 1 hour 87 minutes 48 seconds. Her average speed was 10.68 knots or 22.57 statute miles an hour, which is a very re-markable performance for a boat less than feet long. The Kanawha, with her 4,000 horse-power engines, averaged 19.9 knots in her race for the Lysistrata cup last Saturday. Starting from off the Columbia Yacht Club house at the foot of Eighty-sixth street, the Standard went sixteen nautical miles up the Hudson River to a mark off Piermont. The wind and tide were in her favor for this part of the trip, and she made the sixteen knots in 48 minutes 40 seconds. Coming back against the tide she took 49 minutes 8 seconds. The \$1,000 cup is a challenge trophy, and the first series of races are being managed by the Columbia Yacht Club.

There were three starters in yester-

day's race, the Standard, Water Lily and Fiat 1. It is expected that there will be day's race, the Standard, water Lily and Fiat 1. It is expected that there will be several more to-day, as some of the other entries were unable to get to the line on time. The Standard is 58.9 feet long and had to allow 14 minutes 26 seconds to the Fiat 1., and 17 minutes 12 seconds to the Water Lily. The Standard started off as fast as a shot from a big gun and in a few seconds she was in the lead and rapidly drawing away from the two others. The Water Lily passed the Fiat, but the Fiat was holding on well until about ten minutes after the start when she struck a log and smashed her steering gear. This put her out of the race and she was towed back to be repaired for to-day's race. When off 125th street the Water Lily struck a log, which bent a blade of her wheel. This hurt her chances, but she kept on and did very well considering her condition.

The Standard turned the outer mark at 3:53:40 and the Water Lily at 3:59:55. With half the course covered the Standard led by only 6 minutes 15 seconds, and the Water Lily was well within her time. Coming home the Standard increased her lead and she won the race with 5 minutes 24 seconds to spare. The Standard increased her lead and she won the race with 5 minutes 24 seconds to spare. The Standard is credited with 3 points, the Water Lily 2 and the Fiato. The summary:

That I, C. H. Tangemau .Disabled.

The Standard beat the Water Lily 22 minutes 38 seconds elapsed time and 5 minutes 24 seconds corrected time. The Standard averaged 19.63 knots or 22.57 statute miles an hour. The Water Lily averaged 15.94 knots or 18.38 statute miles an hour.

Open Air Dog Show a Success. MINEOLA, L. I., June 23.-Probably one of the most successful open air dog shows that has ever been held in this country was the has ever been held in this country was the unanimous verdict of both the large colony of society people and the numerous breeders of dogs of all degrees that were in attendance this afternoon at the closing of the second annual open air show of the Ladies' Kennel Association of America, which has been held for two days on the grounds of the Queens-Nassau Agricultural Society grounds.

All the afternoon the spectators crowded around the ropes of the enclosures, where the merits and abilities of the different dogs were passed upon. The gathering of the women in brilliant summer costumes was not unlike a Morris Park meeting, and made the show decidedly picturesque.

Interest centred in the foxbounds, beagles, poodles and spaniel classes. The whippets also came in for much attention.

EIGHTH STRAIGHT VICTORY FOR NEW YORK NATIONALS.

Brooklyns Finish Briskly and Take a Game From Quakers-Chicagos Take Second Piace Away From Cincinnatis, and St. Louis Cardinals Beat Pittsburgs.

The New York Nationals recorded their eighth consecutive victory yesterday, when they beat Boston for the third successive time. The Chicages won from Cincinnati, and their victory gave them second place in the race. The Brooklyns also improved their position, passing Boston by reason of a victory over Philadelphia. The St. Louis Cardinals were once again a thorn in the Pittsburg fiesh. The results:

BOSTON, June 23.—The New Yorks took their third consecutive game from Boston this afternoon and at no stage of the playing did they have to exert themselves in the slightest. They did practically as they pleased.

Mathewson pitched a good game and the proper kind of support was accorded him, while Pittenger suffered severely from the sloppy fielding of some of the locals. Boston scored but two runs, one in the second Abbaticchio soaked a hot one to Gilbert, who threw wide to first, giving the Bostonian a life. Needham advanced him a base with a sacrifice. Raymer bumped one to Devlin, who threw him out at first, Abbaticchio going to third on the play and scoring on Delehanty's pretty double.

out at first, Abbaticchio going to third on the play and scoring on Delehanty's pretty double.

In the eighth Carney hit a bounder to Gilbert and beat out the latter's throw. Abbaticchio fanned and Needham singled. Raymer drove a bounder over Mathewson's head, but Dahlen captured it and caught Needham at second. 'Jehanty then hit a hot grounder to Devlin, but it was too warm to handle quickly and Carney scored.

The New Yorks beganther work in the third with two out. Bresnahan reached first on an error by Delehanty and scored on Browne's triple to right. Cannell got under the ball, then ran away from it, allowing the hit to develop into a three-bagger. One more run was posted in the fourth, singles by McGann and Dahlen, a base on balls and a wild throw by Needham, allowing McGann to cross the rubber.

In the sixth Devlin started off with a single past second and McGann sacrificed. Mertes bansed out a triple to deep centre, scoring Devlin. Dahlen singled through Pittenger, scoring Mertes. Gilbert smashed a bounder at Pittenger, the ball passing him, and before Abbaticchio could field it the runner was safe. Bowerman hit to Delehanty, but Tenney dropped the throw. Mathewson followed with a single to the right field fence, scoring Dahlen and Gilbert. Mathewson followed with a single to the right field fence, scoring Dahlen and Gilbert. Mathewson then stole second, but Breenahan went out on a terrific line drive to Tenney, and Browne ended the scoring for the day with a pop fly to Delehanty. The score:

PITTSBURG, June 23.—Pittsburg could not hit Taylor to-day and that's why St. Louis won. Leach, who faced Taylor first, hit for a triple and scored on Farrell's error. Wagner's error and two good hits scored two in the second for St. Louis and Leever was replaced by Miller, who did well. Smith's error let the third run in. Bransfield was taken from the game in the fourth, Carisch replacing him. The score:

STANDING OF THE CLUBS. NEW YORK (A. I..), 7; WASHINGTON, 4.

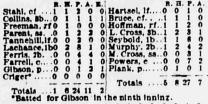

NEW YORK (A. L.), 7; WASHINGTON, 4.

WASHINGTON, June 23.—After jogging along for seven innings with the game a tie, the New Yorks again uncorked a strong batting fusillade of four hits in the eighth inning, which coupled up with a couple of errors and a base on balls gave them runs to spare for an easy victory. Both Powell and Townsend pitched in excellent form, although each was hit hard. Powell was steadier and much harder to hit than his opponent with men on bases and won out entirely on the merits of his cool-headed work.

Several times Powell wasted hits, but when the Washingtons threatened disaster in the scoring line the tremendous New Yorker easily kept them in hand by increasing his speed. Four of the Washingtons reached first base in both the first and third innings, but only one was able to score each time. No further damage was done by the home team until the last inning, when, after the first two men had been retired, Powell eased up until Stahl, Clarke and Townsend had each made a hit, and then struck out Coughlin. The score:
